-----------	----------------------	------	----------------------	---	----------------------	---	----------------------	----------------------	----------------------

Terms and conditions

The following terms and conditions apply to Western Power's Green Town Hot Water System Rebate program. The applicant should read them carefully before signing the application form.

Application

An application for rebate must be submitted on an official 'Application for Green Town Hot Water System Rebate' form and must be approved by Western Power before a rebate can be issued.

Eligibility

To be eligible for the rebate all of the following conditions must be met:

- (a) Applicant
The applicant must be the owner of the property or have sought permission from the owner of the property.
- (b) Property
The property must be located in the postcode areas 6398 or 6333, or in the locality of Bornholm, Elleker, Kronkup, Lowlands, Nullaki, Redmond West, Torbay, West Cape Howe or Youngs Siding.
- (c) Application
The application must be received by Western Power within 30 days of the installation of the system and prior to any published termination date for the rebate program.
- (d) Installation
The gas-boosted solar hot water system must have been installed and paid for in full between 4 May 2009 and 30 April 2010.
- (e) Receipts
A copy of the receipt(s) must be attached to the application form. The receipt(s) must be in the applicant's name. (Please note that invoices without proof of payment are not acceptable.)
- (f) Hot water system
The hot water system must:
 - Be a new gas-boosted solar hot water system.
 - Replace an existing electric instantaneous or electric storage hot water system.
 - Meet all relevant standards and local council requirements.
 - Be installed by a licensed plumber.

Rebate amount

A rebate of \$400 is available to eligible applicants.

Ongoing operation of hot water system

The hot water system must operate on the property for a minimum period of two (2) years after installation.

Sole rebate

Western Power will only issue one (1) Hot Water System Rebate per property.

Refund of rebate

Applicants may be required to repay the rebate if any of these terms and conditions are found to be breached in the first two (2) years after installation of the hot water system.

Program changes

Western Power reserves the right, at its sole and absolute discretion and at any time, to change any or all of the terms and conditions of the rebate program or to cancel the rebate program prior to 30 April 2010. The terms and conditions are available on the Western Power Green Town website.

Liability

The applicant acknowledges and agrees that as far as the law permits, Western Power (and its successors) accepts no liability in respect to any claim, cause of action or loss or damage arising out of, or in relation to, any hot water system or the use of any water from such hot water system that is the subject of funding assistance.

The applicant agrees that they will indemnify and keep indemnified Western Power from any claim or liability arising out of, or in relation to, the hot water system that is the subject of this application to the extent that any claim or liability is not caused by Western Power's negligence or breach of this application or any other term implied by law.

Payment

Payment of approved rebates will be by cheque only and made payable to the applicant as identified in the application form. The cheque will be posted to the postal address identified in the application form within thirty (30) days of receipt of the application by Western Power.
