

Join the Power Down Rangers.

Want to become a Power Down Ranger?
Earn your badge by completing these ten activities
and reducing your home's greenhouse emissions.

- ★ Switch lights off when they're not being used.
- ★ Set the air conditioner to 24°.
- ★ Ask your parents to run the pool pump after 9pm.
- ★ Shut the curtains.
- ★ Ask your parents to buy 5 star rated appliances.
- ★ Ask your parents to change all lights to energy efficient light globes.
- ★ Power down between 4pm and 9pm.
- ★ Switch your TV and computer off at the wall.
- ★ Ask your parents to add insulation to your home because it helps keep it cool in summer and warm in winter.
- ★ Let your parents know that gas-boosted solar hot water systems produce lower greenhouse gases.

A green semi-circular progress bar with ten white stars numbered 1 to 10. The stars are arranged in a curve, with star 1 on the left and star 10 on the right. The number 10 is not explicitly shown but is implied by the sequence.

My name is: _____

And I'm a ____ star
Power Down Ranger

A small version of the Power Down Ranger badge logo in the bottom right corner of the progress bar.
