

String a powerline

Help Lochie the Linesman string a powerline by helping him get through the maze.

With an adult, have a look out the front of your house. Is your house connected to powerlines or a green dome?

Can you work out the number to call Western Power?

$5 - 4 =$ $2 + 1 =$ $2 - 1 =$ $6 - 3 =$ $3 + 2 =$ $4 - 3 =$
