

# How big is the grid?

Western Power safely connects over 1,000,000 homes, schools and businesses with electricity every day, all year.

Use a map to locate on the empty map below, some of the towns where Western Power crews operate in WA.

- Albany
- Bridgetown
- Geraldton
- Jerramungup
- Jurien Bay
- Kalbarri
- Kalgoorlie
- Margerat River
- Moora
- Narrogin
- Perth
- Southern Cross

Did you know?  
The area Western Power connects electricity to is bigger than the whole of the United Kingdom!
